Hello Sam Roberts.

As things progress with the enforcement actions for the truckers protest, including the encampment in the parking lot at the Ball Stadium at 300 Coventry Road, I am attaching a copy of the agent authorization form, authorizing OPS to act as our agent for this property. Please let me know if you have any questions, or require any additional information.

We do have tenants (The Ottawa Titans) who occupy space in the ball stadium and there are contractors doing work on site. I hope that as enforcement proceeds, that impacts on our tenants, and their contractors will be minimal and their needs will be considered.

I would appreciate it if you could confirm receipt of this message.

I can be reached by cell at [REDACTED]
